## **RECORD BOOKS FOR 2012-13**

As we prepare for the new 4-H year, take the time to consider doing your record book online. Information can be entered throughout the year, and updated as frequently as you like. Doing your record book at the end of the year is easier if you are working on it “as you go.”

To learn more about logging in to the online record book system, visit:

<http://www.ca4h.org/files/121045.pdf>

Here you will find complete instructions for youth members, parents and adult volunteers.

### **ENROLLMENT FOR THE 2012-2013 PROGRAM YEAR**

Returning families are welcome to visit their online enrollment records and re-enroll for the new 4-H year. Both youth members and volunteers may complete their enrollment.

While enrolling, please be sure to double check your contact information: addresses, phone numbers and email addresses.

To complete your enrollment, please print and complete a medical form for each family member. Bring this completed form and enrollment fees to your first meeting and give them to your club's enrollment coordinator. Fees for the 2012-13 program year are \$30 per youth member and \$10 per adult volunteer. If you are writing a check, please make it payable to your club.

Families are reminded that their enrollment will appear as “pending” until payment and confirmation is received in the office from the club.

Please contact the 4-H office at 415-473-7207 with questions.

## San Rafael and Tamalpais 4-H to Host National Youth Science Day Events

On October 10, 2012, millions of young people across the nation will become scientists for the day during the fifth annual *4-H National Youth Science Day* (NYSD). NYSD is the premier national rallying event for year-round 4-H Science programming, bringing together youth, volunteers and educators from the nation's 111 land-grant colleges and universities to simultaneously complete the National Science Experiment.

San Rafael 4-H and Tamalpais 4-H will be hosting NYSD events for the public who live around the area in which they meet. Additionally, county 4-H staff will be working with the Novato library to host a public event after school.

You can participate in National Youth Science day in your own home or club too! Please visit <http://www.4-h.org/4-h-national-youth-science-day/nysdhome.aspx> for more information about this year's experiment.

## RECORD BOOK JUDGING!

Judging will take place on **Saturday, August 18<sup>th</sup>** at the 4-H Office. We will begin at 9:30 a.m. and should finish around 1:00 p.m. An orientation will be given before judging commences.

Intermediate, Junior and Senior record books will be judged that day. Please contact Allison at the 4-H office to volunteer.

For **Primary Record books** (aka Rainbow Stars) completed by our members who are under the age of 8 as of Jan 1, 2012, judging will take place on **Saturday August 11<sup>th</sup> from 10:00 a.m. to 1:00 p.m.**

For this judging, we ask that our Junior and Senior members participate in judging and assessing the record books. Again, contact Allison at the 4-H office to volunteer.
