West Marin 4-H Fair

A beloved event, the West Marin Fair which coincides with Western Weekend in Pt. Reyes will take place on June 7th 2014.

The Pt. Reyes/Olema club will begin working with Toby's Feed Barn regarding the use of their barn as the venue. Other 4-H clubs are invited and asked to host other portions of the fair events and offerings:

Still Exhibits
Goats
Rabbits
Poultry
Snack Bar

Area chairs and judges are needed for each area. Please contact the 4-H office if interested. This event is a great way for our members to get some practice and useful feedback to use at the various county fairs.

Thank You to 'H' Lane Vaqueros

In a gross over sight, the 'H' Lane Vaqueros club was omitted from the Farm Day thank you. We apologize and thank these fantastic members for coming out and helping with one of the most successful Farm Days on record. Great job!!

The county Council would also like to thank the 'H' Lane members for coming to the April council meeting, leading the pledges and giving a report on their club activities.

Very nice!

**Thank
You!**

Celebrate May 8th!

The UCCE system began 100years ago on May 8th. Every county office will be celebrating with a variety of citizen science activities. The 4-H office has cards for your club members to learn about these activities. Learn about how to be a scientist for a day by visiting:
